

New at PBUMC

The Prayer Team is excited to announce the new Prayer Request Line which has been activated. It can be accessed in two ways and is monitored by the Intercessors.

☞ Voice Message: 850 725-6075

☞ Email: prayer@pbumc.net

Leave your name and your prayer request at the telephone voicemail or send by email. If you do not wish to specify the reason for prayer, just submit “unspoken request”. It will be lifted by the Intercessors in your name only.

Your prayer request is important to us and we intend to treat it with great discretion. Unless you state otherwise, your request will only be shared with the Intercessors.
